

SRE TEACHER SELF EVALUATION/REFLECTION FORM

Teacher reflection is an important part of professional development for SRE teachers. It helps you to critical review your teaching: celebrate the positives and work on diminishing the negatives. A copy of this form (paper or electronic) should be kept by the authorising church.

Things that went well

Things that need improvement

Reflect on the moments of the lesson you were concerned about	
Describe what was happening: What was I doing? What were the students doing? Why was I concerned?	What could I do differently next time?
